HarperCollins Publishers Inc, United States, 2011. Paperback. Condition: New. Language: English. Brand new Book. Helene, the Countess Godwin, knows there is nothing more unbearably tedious than a virtuous woman. After all, she's been one for ten long years while her scoundrel of a husband lives with strumpets and causes scandal after scandal. So she decides it's time for a change -- she styles her hair in the newest, daring mode, puts on a shockingly transparent gown, and goes to a ball like Cinderella, hoping to find a prince charming to sweep her off her feet, and into his bed. But instead of a prince, she finds only her own volatile, infuriatingly handsome husband, Rees, the Earl Godwin. They'd eloped to Gretna Green in a fiery passion, but passion can sometimes burn too hot to last. But now, Rees makes her a brazen offer, and Helene decides to become his wife again. But not in name only. No, this time she decides to be very, very wicked indeed.
