(Ms. Bernice Rolfson)

CONNECTING NETWORKS V6 COMPANION GUIDE AND LAB VALUEPACK (BOOK)

[DOWNLOAD](#)

Cisco Press, United States, 2017. Book. Condition: New. Language: English. Brand new Book. Companion Guides are portable references designed to reinforce online course material, helping students enrolled in a Cisco Networking Academy course of the same name focus on important concepts and organize their study time for quizzes and exams. Pedagogy has been added to enhance comprehension and retention. A Companion Guide (CG) is the full-featured textbook that supports a Cisco Networking Academy course. The chapter content aligns 1:1 to the online course topics, but not necessarily word-for-word. The features of the textbook are designed to reinforce the course material and enhance student comprehension and retention of the course topics. As a portable learning tool, the CG is intended to help students focus on important concepts, organize their study time for quizzes and exams, and serve as a future reference resource. The CG serves as an additional instructional tool for the instructor to assign take-home reading or vocabulary homework to better prepare the students for in-class lab work and discussions.
