WDC Publishing Co., Inc., United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. SYNOPSIS: There is a spiritual awakening taking place, and the momentum is building. Can you feel it? People are beginning to wake up, realizing there is more to life than what religion has taught. Questions are being asked that ministers can't answer. Questions like: Who am I? Why am I here? What is my purpose in life? Why do bad things happen to good people? People are moving away from organized religion and becoming more spiritual. After all, we are spirits having a human experience! Life has become a struggle for many of us. Changes are taking place within the earth, with the weather, and within us. Relationships have been challenging; life has been challenging. People want life to change, but they don't know how to bring about change. People want to heal; they are tired of being sick and tired. The medical establishment and health care industry have become more focused on making a profit than healing. So what is healing, and how do we heal? How do we feel better? How does life get better? "Self-Empowerment: The Only Way to Heal" was written to help those who are just beginning to awaken and for those who are already on their spiritual journey. We are more than physical bodies. In order to heal the body, the mind and spirit must also be healed. True healing comes from within. To better understand how to heal, we must first understand how we got sick in the first place. We must understand who we really are, why we are here, and why "bad things happen to good people." There are no victims in life-only co-creators of circumstances. The human body was designed to be "self" healing. If...
